Friday 29th April 2016

Dear Parents,

Next week sees the final Winners and Champions session for our Year 6 pupils. We are very proud of the way the children have made good use of the additional hours of adult support that we have provided. Our Good Learner characteristics emphasise the value of being determined, focused, well-behaved, organised and keen and we know that this prepares the children for their learning in and beyond our school. In the week of their tests staff and governors will be meeting our Year 6 children for breakfast in the school hall if your child would like to join us. A number of our rooms will be used for testing in the mornings of week beginning 9th May and we will be reminding all children to be extra quiet around the school. If you need to speak to a member of staff that week it is likely that we won't be able to make you an appointment until the afternoon.

There are two forthcoming election dates which are noted on the school calendar on the school website (5th May and 23rd June). On these days the hall will be out of use and a picnic style lunch will be served.

Our School Council Supper Party will be taking place on 16th June at 5pm. Tickets go on sale next week and can be purchased from Mrs Rennie in the office. £5 for 2 children and 2 adults. The first 5 tickets booked will be free.

Year 1 pupils will be having their phonic screening check in the week beginning 13th June. We are really pleased with the way they have worked to ensure they can use their phonics knowledge to read real and alien words and know that they have benefitted from the regular reading and word practice they have completed at home this year.

Reminder: The children look really smart in their uniform, but we need to remind you that school shoes need to be black or brown and the wearing of trainers should be rare. If you have any questions about this please pop in and speak to Ms Finch.

Kindest regards,

Sue Finch

P.S Dinner menu next week is week 2.
