Friday 6th May 2016

Dear Parents,

It gives me great pleasure to remind you that it is now becoming the time of year when sunblock, hats and water bottles are all of particular importance to your child's well-being. If it is hot and sunny when your child is going out for a PE session your child's teacher may give them some sunscreen to apply. Please let us know if your child is allergic or if you do not wish this to happen.

This week we have completed a mock exam week for the children to ensure they are all familiar with the routines for next week's formal Year 6 tests. They have approached their work with maturity and are ready for next week's experience. We recommend super sensible bedtimes over the weekend and the governors are providing a water bottle for each child to ensure effective hydration. We look forward to welcoming them to breakfast on Monday morning where they can eat with their friends in the hall and get ready for the day ahead.

Year 3 children enjoyed a picnic lunch outside this week on election day and other classes may choose to do this on our next election day which is 23rd June. Our thanks to the midday assistants for helping the lunchbreak run smoothly for the children.

Our School Council Supper Party will be taking place on 16th June at 5pm. Tickets go on sale next week and can be purchased from Mrs Rennie in the office. £5 for 2 children and 2 adults. The first 5 tickets booked will be free.

Year 1 pupils will be having their phonic screening check in the week beginning 13th June. We are really pleased with the way they have worked to ensure they can use their phonics knowledge to read real and alien words and know that they have benefitted from the regular reading and word practice they have completed at home this year.

Reminder: please do not park on the zig-zag yellow lines outside school when dropping off or picking up.

Kindest regards,

Sue Finch

P.S Dinner menu next week is week 3.
