Friday 8th July 2016

Dear Parents,

Thank you for attending open afternoon this week. We loved seeing you here and being able to share time with you and let you share time with your child. As always, your report comments and parent survey comments are much appreciated and we will make sure we put in place the improvements you would like wherever possible. Your opinions help us improve

Miss Todd collection and book signing

As you know Miss Todd is a lover of words and I am sure you would agree with us that being able to revisit celebratory comments is a joy in itself. So, please take time to write Miss Todd a message in her special book which you can find in the office.

As many of you are aware, Miss Todd will be retiring in July and by then she would have **dedicated 41.5 years to our school!** What an achievement!

We absolutely love Miss Todd and will be very sad to see her leave. Donations towards a gift can be made by sending money care of Mrs Rennie. The book is with Mrs Rennie too.

Sports Day: 18th July 10:30am on the field. We are often reminding the children about the importance of keeping hydrated so if your child has a water bottle and can use it on this day that would be great.

Our **Supper Party** is on 12th July @ 5pm. Relax while we serve you and your family pizza or pasta and delicious icecream. How can you resist? Last call for places...

Monday 18th July 15:15: Year 5 Parents' Meeting Please join us as we introduce next year's Study support sessions and share with you the expectations of the end of Key Stage 2 tests. We have bought each child a comprehensive pack of materials and we will explain how use of these can be maximised during the meeting. Your child needs to attend with you please.

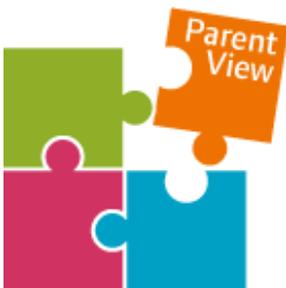

Miss Dunn says: "All reception children will be taking their **"Bikeability Balance"** course on Tuesday 12th July. This is an excellent opportunity for children to learn new skills. If your child has a helmet please can you send them to school with it on Tuesday. Please don't worry if your child does not have a helmet as we do have some helmets children are able to use."

New start of the day procedures for September. We have reviewed our systems and in light of this review and the fact we will be having an additional class we now need to alter what we do. The new routine will be as follows: At 08:45 each morning staff will be on duty in the playground. A whistle will be blown and the children will line up and be taken off the playground by the teachers and support staff. EYFS parents will be able to enter the building with their children and settle them and we will give this a period of time before making their procedures the same as the other classes.

If you need to see Mrs Rennie in the office you will need to walk round and enter via the white door after 08:50. We will have a trial run of this in the final week of term to prepare our children and iron out any flaws!

Kindest regards,

Sue Finch (Head Teacher) and Hannah Gaynor (Deputy Headteacher)
P.S Dinner menu next week is week 3

Thank you for the comments you add to our compliments book and for the trust you put in us when you want to share a concern. (When you need extra information please remember that your first point of contact is your child's teacher and this is particularly important for academic progress queries and homework questions.) We value the comments you give us when we ask for feedback and also appreciate the submissions you make to Parent View. Here's the link to register for you to use to make your comments. <https://parentview.ofsted.gov.uk>
