Please remember to send in your donations for our harvest festival collection. Thank you to all those people who have helped our gift to grow – we are doing well and it is good to share. We are looking forward to sharing bread, cheese, fruit and vegetables with you next Friday.

Great News! Madelaine, one of the workers who supports the initiative to plant trees in Uganda, is heading over there in November. She is looking forward to being able to send us some pictures of our trees being planted. Thanks again for the excellent fund raising you did for this great cause. It feels good to be able to make a difference to the world not just our own local area.

Congratulations to Joel Simkins dad who won the £39 prize on Macmillan Day.

Thank you to those of you who attended our Year R-2 Storytelling Workshop with Kim Kellock, Our Early Years Consultant. Your feedback has been valuable to us in planning our future events.

You are invited to Family Lunch on Thursday 5th November! We love this event and also the fact that it is so popular with our families. Please book your place with Mrs Rennie if you wish to attend.

Please make sure you have made your Parents' Meeting Appointments for next week. (Miss Hope's children will have their meetings after half term, but you are very welcome to come and talk to Ms Finch if you would like an update prior to this.)

Our head boy and head girl team will be heading to Chester Zoo in November to present our cheque for £100 from our Go Orange Day. This is one of their first official engagements in their roles and they are excited to have this in their calendar. Hannah from the Zoo is looking forward to it too. Two years ago when we went she said: "The children were an absolute delight, very polite and enthusiastic. Today was definitely one of the highlights of my time at Chester Zoo."

Breakfast: We need donations of juice for Breakfast Club at the moment please and as always we are very grateful to you for your help.

Lunch: If your child is given grapes by our school kitchen staff as part of their lunch these are cut in half to decrease choke risk. We advise you to do this too if you include them in your child's lunchbox.

As many of you are aware Passion for Learning run an after school Enrichment Club every Thursday for some of our children. They are now in the position to recruit new volunteers. If you, or you know of anybody who is interested in this fantastic opportunity please contact Viv.couche@passion-for-learning.com or pick up an application form from the school office.

If your child comes to enrichment club and is allergic to face paint please let Mrs Spain know as the children will be having a face painting activity next Thursday.

We have a sprinkle of nits in the school and although a number of parents have reported treating their children recently it is still important that you check your child's hair thoroughly this weekend.

CLUBS

Enrichment Club Thursdays.

Our 4 Film Club sessions have finished for this half term and we need to give you advance notice that the cost needs to go up after half term. Each session will then cost £2.50 per child.

The 5 Cookery Club sessions will run consecutively and begin on Monday 21st September.

KS2 Football Club commences Monday 14th September

Homework Club commences Wednesday 9th September (Year 1-6 pupils only)

Dance Club commences Friday 11th September

Glee Club commences Friday 11th September
