LUNCH MENU WEEK 4

John Street, Ellesmere Port, Cheshire, CH65 2ED
Email: admin@westminsterprimary.cheshire.sch.uk
Website: www.westminsterprimary.cheshire.sch.uk

Here's what Nicky Bolton said about us this week in an email when she saw just how many books we were sending to Muganza Primary School:

**One word for the children, staff and Governors of Westminster Primary.....
SUPERSTARS!!!! Thank you so much... your twin school will be delighted!**

Nicky is a key partner for us in our Twin School work and it is always good to share ideas with her.

We have received a new set of high visibility jackets this week from Specsavers which really helps us to ensure safety when we are out and about locally with the children.

Winners and Champions Club

The children have made an excellent start to their learning at this club and are showing real commitment in ensuring they are well prepared for their end of Year tests. Thank you for all you are doing to support regular engagement at home with the activities in their book packs.

We know that eating a balanced meal at lunchtime helps us refuel after our busy mornings and the children are responding well to listening to a piece of music to indicate when movement to the playground will begin. This ensures that eating time is separated from playing out time.

A few weeks ago we showed the children a film and talked about our approach to anti-bullying work. This was followed up this week with assemblies and work in classrooms to ensure the children understand the difference between falling out and bullying and what to do if they see bullying behaviours. We include information for you in your role as parents and carers on the paper copy of this newsletter. Please ask if you need a copy.

All Year 1 and 2 children will be working in the hall to develop their creative writing and their knowledge of the story of the Titanic next week. Miss Hope invites you to join her and her special guest on Friday 27th November if you have a child in one of these year groups. She will welcome you at the white hall door at 09:30. Please register for your place on Monday with Mrs Rennie.

Congratulations to all Year 5/6 for their Solar System project work. Our winner was Chloe F and the runners up were George and Charlie.

Christmas Fair – Could all Year 3 children bring in Christmas homeware donations, e.g., candles, stars, tablewear etc

Please note: Breakfast Club does not serve food after 08:20 as our room is used for different activities after this.
