As part of our continued commitment to assist your child with their studies we will now be working with Year 6 children after school on Mondays as well as Wednesdays. This additional Winners and Champions session is aimed at ensuring your child is able to show all aspects of their reading skills in their end of Year tests. (Ms Finch and Miss Tilsley will also make themselves available until 5pm on the Wednesday sessions for additional study support.)

What's coming up this term?

Wednesday 9th March: Year 5 and 6 pupils will be visiting the Waterways Museum in the morning to take part in a range of Science, Technology, Engineering and Maths activities for this year's **STEM Festival**. This work is funded by our involvement with the Teaching School Alliance and I am sure you will agree this helps us to continue to provide quality experiences for our children that are delivered by experts in their field.

Friday 11th March: Year 4 pupils will visit the **STEM Festival** in the afternoon.

Wednesday 16th March: Sports Ambassadors and Year 4 Will be having a special fitness day out with the Fit For Life team. Mrs Forster will provide more details soon.

Friday 18th March: 5km run and walk. All children will be participating. Those who wish to run will be timed so that they have a personal best time which they can aim to beat each time we have the event. After this we will take part in the 5km walk. As always, you are welcome to join your child to take part in this event. (Start time - 13:30) Please book your place with Mrs

Rennie by Friday 11th March so we know who is coming. If you want to help instead of take part that would be much appreciated too.

Thursday 24th March: 2pm -4pm Art Extravaganza. Please come to the hall for a drink and some cake and a viewing of your child's artwork. The artwork will be for sale for £7.50, but we would also like you to indulge in a drink and cake to raise money for our partner school and for books for our school. Drop in as you wish between 2pm and 4pm and members of staff will be on hand to greet you at the white door to the hall.

Secondary School places have now been allocated so please accept or decline by the deadline specified otherwise the place may be offered to another person.

How are your Easter bonnets? Ms Finch has some temptingly delicious Easter Eggs ready for the winners so please be as creative as possible and get your entries in! Official judging will take place on Thursday 24th March.

We are pleased to announce that we have a new Midday Assistant joining our team. Lynne started this week and it is good to have her with us.

Thank You

We loved seeing you at the **French Café** – thanks for making it special. There was a wonderful element of fun during **World Book Day** and the costumes were well thought out. Thanks to our mystery readers too we liked the stories and poetry.

We need food for our Breakfast Club - it's nearly the end of the financial year and our budget is now very limited so if you can help in any way by sending in cereal, juice, butter, jam etc this would be much appreciated.
