Our Sports Ambassadors, Charlie and Ollie, enjoyed their time with Year 4 and made the very most of their special fitness day out with the Fit For Life team. There are some photos from the event on our website and it was lovely to hear great reports from the adults who went with the children.

Thanks for coming to our Easter Bingo - it was good to introduce a slightly different format and we are glad you enjoyed it. For those who couldn't come we still have an Easter raffle and an Easter Bonnet competition for you to enjoy.

Thursday 24th March: 2pm -4pm Art Extravaganza. Please come to the hall for a drink and some cake and a viewing of your child's artwork. The artwork will be for sale for £7.50, but we would also like you to indulge in a drink and cake to raise money for our partner school and for books for our school. Drop in as you wish between 2pm and 4pm and members of staff will be on hand to greet you at the white door to the hall.

Friday 13th May: 14:30 Parents' meeting for our Conway Residential. The trip for Year 5 and 6 pupils takes place 20th – 24th June 2016.

Well done to our Year 3 and 4 children who have been taking part in using the payment card to pay for the Beeston trip and learning about budgeting. The adults are looking forward to packing their suitcases and enjoying the trip with your children. We are proud of our commitment to residential trips and recognize how much the children develop through taking part in these experiences.

Next term our pupils have their end of year tests and we are pleased to see so many of you supporting the extra study sessions that have been organised for the children. We share your goal for your child to be the best they can be. Key dates below:

Key Stage 2 assessments: week beginning 9th May
KS1 assessments: weeks beginning 16th and 23rd May
Year 3,4,5 assessments: weeks beginning 16th and 23rd May
Year 1 Phonic Screening Check: week beginning 13th June

Could YOU (or someone you know) help us with our Futures Days this year? We need as many visitors as possible to come in and talk to our children about the different jobs they have had and how they use English and Maths in their daily work. Please see Ms Finch if you have availability to get involved on 30th June or 1st July. This is an important feature of our school calendar and we are very grateful to all the people who help us to inspire the children and spark their curiosity about the world of work.
