Friday 1st April

Dear Parents,

I am writing to thank you for all you do to make our school the special place that it is.

The end of a term provides a perfect opportunity to reflect on the term we have had before looking forward to the term to come. This term has included writing workshops, family lunch, spelling bee competitions, maths quizzes, Easter Bingo, and an Easter bonnet competition. It has also been good to see such excellent home-school links through our project work. Our website and our Twitter feed capture photographs of our trips and events as a way of celebrating and remembering the experiences we have. I do hope you enjoy looking at these as much as I do.

All staff work with real dedication to support your child's education and they continue to work effectively with key partners from the Local Authority and the Teaching School Alliance. It is always good to hear feedback from these partners about the strengths of our school as we continue our journey of improvement. Our Associate School Improvement Adviser visited this week and enjoyed having lunch with our Year 5/6 children. Like everyone here, he enjoyed talking to the children and described them as polite, well-behaved and positive. All our other children were busy off-site (Years R-2 were at the zoo and Years 3-4 had started their residential) which sums up our school as a place where great activities underpin the sense of teamwork and fun we have whilst educating the children.

We are enjoying providing targeted study support for Year 6 and will look to extend this provision over the coming term.

Whatever year your child is in please keep up the home reading during the Spring Break. You may also wish to set up a diary with your child so they can record their favourite holiday moments to look back on and also practice their handwriting and sentences. The new curriculum places a large emphasis on neat cursive handwriting so this would be a fun way of helping your child to reach age related expectation.

Kindest regards,

Sue Finch

PS The Summer Term starts on 18th April and dinner menu = Week 4
